**RE: Docket 5058 - Application to add Terms and Conditions for Municipal Aggregators Revised Proposed Terms & Conditions for Municipal Aggregators**

Dear Ms. Massaro:

On behalf of The Narragansett Electric Company d/b/a National Grid (“National Grid” or the “Company”), we write to submit revised language to clarify a reference to a “reasonable fee” within the Company’s Revised Proposed Terms & Conditions for Municipal Aggregators in accordance with the Third Revised Procedural Schedule dated April 7, 2021.

Appendix A of the Company’s Revised Proposed Terms & Conditions for Municipal Aggregators, states that “[t]he Company may assess a reasonable fee to be paid by the Municipal Aggregator for providing twelve individual month’s usage broken out by month.”

The purpose of this fee is to offset costs of retrieving and reviewing the requested data. The process of retrieving and reviewing the data to ensure that the data is only for the specific municipality is performed by a senior analyst and usually takes between 0.5 hours to 2 hours of work. The Company is proposing a tiered hourly rate to calculate the fee as follows:

<b>Time to Process Request for Data</b>	<b>Fee</b>
Between 0-30 minutes	\$50.00
Between 31-60 minutes	\$100.00
Between 61-90 minutes	\$150.00
Between 91-120 minutes	\$200.00
Between 121-150 minutes	\$250.00
Over 150 minutes	\$300.00

In accordance with Third Revised Procedural Schedule dated April 7, 2021, the Parties may comment on the above revised fee language by April 15, 2021.
